**The HKIE Control, Automation & Instrumentation Division**  
**Student Paper Competition 2016/17**

The Department of Building Services Engineering (BSE) of The Hong Kong Polytechnic University (PolyU) is pleased to announce that our BSE student has been awarded in Student Paper Competition 2016/17 organized by The Hong Kong Institution of Engineers Control, Automation & Instrumentation Division.

Mr. Li Wai Lok, our current MEng student under the supervision of Dr. Chan Ming Yin, won the Champion with his project titled “*A Thermal Comfort Study of Bed-based Task/Ambient Air-conditioning System*”,

The award presentation will be held in the Annual Symposium of the Division on 17 March 2017.

The Student Paper Competition is organized by the Control, Automation & Instrumentation Division with the aim to promote the Control, Automation & Instrumentation technologies and to encourage young / potential engineers and technologists to join them.

BSE would like to take this opportunity to congratulate Mr. Li's on his academic success and achievement on winning the award.
