

12 January 2021

**BSE Scholar Appointed as the Editor of the Prestigious Journal –
*Building and Environment***

The Department of Building Services Engineering (BSE) of The Hong Kong Polytechnic University (PolyU) is delighted to announce that Ir Prof. Cheuk Ming MAK, Professor of BSE, has been promoted from Associate Editor to Editor of the prestigious Elsevier's journal – *Building and Environment* from 1 January 2021.

Building and Environment is the top SCI journal in the field of building environment with an impact factor of 4.971 in 2019. It is an international journal that publishes original research papers and review articles related to building science, urban physics, and human interaction with the indoor and outdoor built environment.
