

2010 Exchange Meeting for Society of Fire Protection Engineers Asia-Oceania Chapters, 28-29 October, 2010

The 2010 Exchange Meeting for Society of Fire Protection Engineers (SFPE) Asia-Oceania Chapters was held on 28 and 29 October, 2010 at Taipei, hosted by SFPE-Taiwan Chapter. The theme was “Fire risk analysis and response plans regarding heritages and historical buildings”.

Professor W.K. Chow, Founding President of SFPE-Hong Kong Chapter, was invited to present a lecture on “The fire safety strategy and approach on cultural heritages and historical buildings in Hong Kong”. Over 100 fire professionals and officers attended.

The team

Invited lecture by Professor Chow

The AO-SFPE Chapter presidents met and discussed future activities of promoting advanced topics in fire engineering in the Asia-Oceania region.
